This month, we will cover:

- League finances
- Position rounds
- Prize fund adoption

If you are no longer a league officer, please forward Rules Extra to newly elected officers.

Please forward Rules Extra via email to your fellow officers and league members.

 LEAGUE RESOURCES

League Finances

We cannot stress enough how important it is to follow the rules and procedures for league finances. League funds must be deposited within seven (7) days of receipt. The president must do the math monthly to [verify the league account](#) has the correct amount of money on deposit.

Position Rounds

What is a position round? A position round as defined in [Rule 107](#) is a session in the league schedule where the match pairings are based on the current team standings. In most cases, the team in 1st place will bowl against the team in 2nd place, 3rd place will bowl 4th place and so on down the line.

The most frequent questions submitted to Rules regarding position rounds are as follows:

1 – How do we make the pairings when we have teams with the same records?

Unless the league has adopted another procedure based on pinfall, ties for [determining the pairings](#) on a position round can be broken using the total scratch pinfall in scratch leagues and total pinfall with handicap in handicap leagues. Remember, this is only to break the ties to determine who will bowl who in a position round...not to break ties of the position round matches.

2 - Can a substitute be used in a position round?

Yes, unless the league rules state otherwise. USBC rules do not restrict the use of any individual during specific league contests. However, leagues do have the option to adopt special eligibility requirements to participate in positions rounds, such as having a minimum number of games requirement to participate or restrictions on the use of substitutes in these matches.

 **DON'T FORGET!**

Don't forget... about adopting the prize fund. Rule 106a requires proposals to be presented for adoption by the fifth week of the schedule. League presidents, it is your duty to ensure a prize list is adopted in a timely manner. If this has not been done, please activate a prize fund committee to get at least one proposal submitted to the league for adoption as quickly as possible.

SafeSport Training Update

For all members who are taking SafeSport training, it is imperative to go through BOWL.com's Athlete Safety Portal. Visit BOWL.com and, under the USBC heading, click on Athlete Portal in the drop down. There, you can complete your Community Login and be taken to your exclusive Athlete Safety page, which is where you can access SafeSport training and set up your NCSI background screening.

As a reminder, all league officers of Youth or Adult/Youth leagues must be compliant with the annual SafeSport training and have a current background screening (done every two years).

Bowlers 18 or older who are participating in a Youth or Adult/Youth League must be compliant with the annual SafeSport training requirement.
